About CUV Ventures Corp.:

CUV Ventures Corp. is a multi-asset, multidivisional publicly traded Canadian company deploying advanced technologies in the; Online Travel, Vacation Resort, Mobile Apps, Money Remittance, Invoice factoring, Crypto Mining, Blockchain Systems, and Cryptotoken sectors.

Our flagship technology is RevoluPAY®, the Apple and Android multinational leisure payments and remittance app, powered by blockchain protocols, and aimed at the worldwide + \$595 billion family remittance market.

The ⓄCU Coin Cryptotoken, allied to RevoluPAY®, promises to be the coin of choice for remittance senders, travelers and the hospitality industry. Its increasing adoption across several spheres exemplifies its international perspective and future value amongst members.

The company's FinTech division continues to expand into this rapidly emerging segment, in which it; manages, operates and develops end-to-end digital platforms to monetize the blockchain ecosystem across a broad spectrum of leisure related industries, remittances and finance.

A diverse division of the company, named [Cuba Ventures](#), is involved in Caribbean Basin strategic investments. Similar to the United States NASDAQ listed [Herzfeld Fund](#), the focus is to control noteworthy assets related to the Caribbean Basin (including Cuba). The division is comprised of numerous assets. A wholly owned subsidiary [Travelucion Media](#) is a duly licensed and bonded online travel company, Amadeus GDS affiliated, digital and print media powerhouse that specializes in travel marketing, electronic reservations, and online booking solutions. Travelucion owns a vast portfolio of web assets consisting of 432 Cuba-centric websites in up to 5 languages which generate over 35 million page-views per year and direct traffic to Travelucion's online booking and e-commerce sites and proprietary online booking systems, also customized for white label deployment on third party booking websites for; Cayman Islands, Dominican republic, Aruba, Bahamas, BVI, Belize, Antigua, Jamaica and Cuba, offering bookings for hotels, private residences, car rentals, tours, flights and a variety of other types of specialized travel services.

In 2017, the company acquired equity in the Florida, USA based, licensed and bonded travel agency; International Business & Travel Opportunities, LLC (*IBTO*), a Caribbean Basin focused travel facilitator operating trips in the region (including licensed Cuba trips for Americans).

In 2018, the company acquired equity in the Florida, USA based, Third Circle Publishing LLC, publisher of the esteemed and U.S circulated print and digital magazine [Cuba Trade Magazine](#). CUV Ventures Corp owns an interest in some important print and digital media assets, reaching 10s of millions of consumers globally.

In 2018, the company acquired equity in the Toronto; Canada based, FINTRAC licensed, remittance company, [Duales Inc.](#) as part of the RevoluPAY® remittance app partner network.

In 2018, the company acquired equity in the Miami, USA based, Business advisory/consultant think-tank **Havana Consulting Group**, as part of the progressive acquisition of key Cuba related but, non domiciled, businesses.

The Cuba Ventures division consulting team harnesses over 80 years of combined advisor experience in submitting and, obtaining approval, for joint ventures, joint production agreements and import/export permits for foreign enterprises. More recently the company has taken a royalty approach for future agreements between third parties anxious to begin commercial operations with Cuba and, the company's Cuba Consulting Unit.

Through this methodology, the Company is gradually building a potentially valuable "future-ready", non Caribbean (Cuba) domiciled asset base while, in the interim, securing revenue, growth and unique opportunities present in the Caribbean Basin, with an emphasis on the **\$4 billion** dollar and rapidly growing Cuban travel and tourism industry, **\$3 billion factoring** and **FinTech** sector, **\$18.6 billion** Caribbean remittance industry and international corporate consulting for Cuba's estimated **\$86 Billion annual economy**, which remains an interesting opportunity and, one that this division strives to dominate at every opportunity by acquiring assets that are neither physically domiciled nor associated with entities located in Republic of Cuba but, that have unparalleled future takeover prospects, should the political climate improve.
