Further CUV Ventures Corporate Updates

RevoluFIN Inc.

CEO, Steve Marshall, will be meeting Panamanian authorities on November 23rd 2018 concerning the final details of RevoluFIN Inc. and, the company's proposal to domicile **RevoluFIN** corporate headquarters at the Ciudad del Saber (City of Knowledge) in Panama City, a location especially suited to technology and finance companies. RevoluFIN obtained its initial seed capital guarantee of up to 40 million Euros (approx. 61 million CAD) on the **8th of March 2018** from Vesilen Investments and, has received and studied numerous financing requests, which will be immediately approved in the very near future.

Travelucion Website Updated

In preparation for the launch of the worldwide **RevoluVIP Travel Club**, the website for wholly owned travel subsidiary Travelucion.com has been comprehensively updated. Travelucion, a licensed and bonded travel company, is the sole supplier of travel to RevoluVIP Club members. Travelucion has entered into publicly announced agreements with the world's largest travel suppliers and facilitators: Amadeus, IATA, Constellation Software, Juniper and, many more. **RevoluVIP** is expected to go live with offers, in the initially announced markets of: United States (all states), Canada, California, Florida, Alaska, in December 2019, with subsequent world markets following the pre-announced timeline. The company expects to achieve a significant boost in travel revenue from RevoluVIP global markets and, shareholders are reminded that RevoluVIP imposes compulsory use of RevoluPAY® for all travel payments.

RevoluPAY® on Proprietary Websites

The company intends to launch a dual payment mechanism on its +400 legacy websites within the next 30 days. The company's software engineers have completed the required API, which will give visitors the choice of paying by Visa/Mastercard, as they have in the past and, now, also the option to pay via RevoluPAY®. The addition of this option will also offer clients who use the company's RevoluPAY® app to settle invoices a 5% in-app cash-back on each purchase. The company expects the organic embracing of RevoluPAY® to increase significantly once this initial marketing, to its extensive past/current client base, commences.

RevoluPAY® Extended Cash-Out Disbursement

As originally announced on **October 1st 2018**, the company has now received preliminary approval for the RevoluPAY® e-Wallet linked prepaid Visa Card. The company expects the first cards to ship to those app users who request them in January 2019. Still under positive negotiation, is cash-out via NFC and Non NFC enabled ATM's directly from the app (card-less withdrawals). Under this system, at non NFC enabled ATM's, the user receives a unique code which, when entered into the ATM's numeric keyboard, confirms the users presence and, permits subsequent withdrawal of funds.

RevoluCHARGE Launch

From today, the company's RevoluCHARGE division, a branched vertical from RevoluPAY®, allows anyone in the world to send; minute, sms and, data credits, to family and friends internationally, with payments exclusively via the company's proprietary payment app RevoluPAY® and, a forthcoming "Powered by RevoluPAY®" autonomous RevoluCHARGE App. The company considers the approximately **\$8 Billion USD** annual mobile top-up market the perfect complimentary service, in combination with worldwide remittances and payments, through RevoluPAY®.
