NEWS RELEASE

July 31st, 2018

CUV Ventures Corp. RevoluPAY® App launched on Google Play and Android Platforms

Vancouver, BC – CUV Ventures Corp. (TSX-V: CUV) (the “Company”) Vancouver, BC – (the “Company”) is pleased to announce that the RevoluPAY® app has been successfully launched publicly on Google Play for Android Platforms and, can be downloaded immediately. The company expects the Apple version to be available on iTunes shortly.

About the RevoluPAY® Android App

The company has preferred to release the current version of the app to the public and commence live testing of the remittance and payment app, using the Android version. Studies have revealed that Android devices are more prevalent in developing nations and, by launching on this platform; the company is able to commence real-time trials of the app, glean usage intelligence while, at the same time, concluding the Apple submission and tacit approval process. Gradual App version updates and, country disbursement (cash-out) licensees, will be added gradually, as the trials continue and, shareholders will be updated every step of the way.

CUV Ventures and PayNoPain S.L enter into contractual agreement

The company has entered into a contractual agreement for the current app revealed today and, future development of the RevoluPAY® eWallet remittance and payment app with PAYNOPAIN SOLUTIONS SL., Castellon, Spain. The contract includes CUV's legal ownership of the resulting source code and app. The company already holds numerous worldwide RevoluPAY® trademarks. A significant high point of the contract includes, guaranteed and immediate cash-out disbursements across the entire European Union, in addition to those countries previously announced. The multi-billion euro **Remittance inflows**, into lower GDP European countries, are of great interest to the company.

Notable Contractually Agreed Terms are:

- CUV Ownership of the app and source code
- Wi-Fi, Mobile Network and NFC transactions
- AES 256 Encryption
- CCU Cryptotoken incorporation (V2)
- Invoice Payment (RevoluCHARGE, RevolUTILITY, RevoluVIP)
- Invoice Payment (Third Parties)
- Blockchain and AI Engine
- Extraction of funds at Cash-Points and Banks
- Multi-Currency
- Apple & Android
- Consumer Version
- Merchant Version
- AML & KYC Compliance
- Immediate Cash-Out (Disbursements) in Europe
- Secondary Cash-Out (Disbursements) in selected licensee countries

Equity Partner Third Circle Publishing, Miami - Magazine with CUV Ventures

Management is pleased to announce that the first printed version of the magazine, since the company's equity purchase in Third Circle Publishing, has been distributed worldwide, the July edition includes the contractually agreed full page advertising and, inclusion of CUV Ventures in the editor section. Shareholders wishing to receive a souvenir printed copy of this emblematic edition may contact investor relations for a complimentary copy.

CUV Ventures And Parties Cease Agreements and MOU

03/05/2018 - CRYPTO LIQUIDITY HOLDINGS INC – On 24/07/2018, through mutual agreement, both parties have decided not to pursue any ongoing synergies.

24/11/2017 – RevoluPAY - Vesilen Investments S.L. - On 29/06/2018, CUV Ventures received a proposal to fundamentally modify the initial agreement for the development of the RevoluPAY app. On 09/07/2018 the tender was rejected. Included in the modified terms was a theoretical licensing of the software from the party and, a considerable increase in the initially agreed total development cost. As a result, the two real time app transactions were not successfully completed and, neither a functioning app, nor the source code, was delivered.

02/11/2017 – GDS - Booketea S.L – Bilateral communication between the mutually assigned management boards, elected on the date of the contract, failed to materialize.

*Management remains committed to the remaining accords with Vesilen Investments and, are working with their management towards numerous forthcoming ventures and synergies.
