## **RevoluESPORTS Development Commences**

The company has begun development of its upcoming revenue vertical **RevoluESPORTS**. RevoluESPORTS will leverage the RevoluPAY® proprietary **Apple** and **Android** multinational payment App in the rapidly expanding ESPORTS arena. Global esports revenues will hit **\$1.1 billion in 2019**, up 27 percent since last year amid ballooning revenues from: game credits, advertising, sponsorship and media rights to competitive video gaming competition sports via mobile and console video games. Esports tournaments are a significant factor in the video game industry and, the company will gear RevoluPAY toward this professional esports subculture. As with all revenue verticals, the company's banking authorized proprietary RevoluPAY® App will hold center stage as the only method by which Esports enthusiasts and players can interact financially with RevoluESPORTS. RevoluESPORTS public launch is expected in early Q2 2020.

## **RevoluEGAME Software Development Contracted**

Company advisor, Mr. Daniel Hernandez, who was intrinsically involved in the successful launch of **RevoluCHARGE** and **RevoluUTILITY**, will once again be responsible, in conjunction with Bonsoft, for the entire rollout of **RevoluEGAME**. The company is working in partnership with **RAWG** for published game content to which RevoluPAY will be the sole payment mechanism. The new revenue vertical will allow the worldwide selection and payment of entire mobile/console based games and in-game play credits, for +3000 of the most popular games worldwide, exclusively through RevoluPAY. The Egaming sector grossed **\$137.9 Billion USD** in 2018. The company expects RevoluEGAME to be operational by December 15<sup>th</sup> 2019.
